Cellz +
SKIN CARE™

Introductory Kit

ONLY \$39

NORMAL - COMBINATION SKIN

MORNING

Step 1. SALICYLIC RENEWING WASH

Apply a small amount of cleanser and gently massage in. Rinse well with water.

Step 2. HYALURONIC SPRAY

After cleansing, apply a small amount of toner to a cotton pad and then to face and neck areas. Allow toner to dry.

Step 3. VITA C + SERUM

After cleansing and toning, apply serum to entire face and neck areas. Allow serum to dry.

Step 4. C + MOISTURIZER SPF 30

After cleansing and toning, apply generously to entire face and neck areas.

EVENING

Step 1. SALICYLIC RENEWING WASH

Apply a small amount of cleanser and gently massage in. This cleanser will remove all your day make up. Rinse well with water.

Step 2. HYALURONIC SPRAY

After cleansing, apply a small amount of toner to a cotton pad and then to face and neck areas. Allow toner to dry.

Step 3. C + RESURFACING GEL

After cleansing and toning, apply this gel lightly and evenly to entire face and neck areas. You may experience a mild tingly feel, this is normal.

Step 4. SENSI-LITE LOTION

After cleansing, toning and applying C + Resurfacing Gel, apply generously to entire face and neck areas.

Step 5. HYDRATING EYE CREAM

Apply a small amount of cream to eye area in upright moon motions. This Eye Cream may be used as often as desired.
